Donation for services

Donation for services

Hope for Wholeness is a 501-(c) 3 non-profit organization that solely relies on the good will of those it counsels and donors. We are aware that not everyone can afford to give at the rate that is suggested here. We are here to serve all those that come to us, regardless of their ability to give.

At the end of our time (unless you request otherwise in advance) a mention for your donation will be as follows: *"If you have come prepared to give a donation for our time, you can do that after we pray."* This will be the only mention of money during the time together.

The below amounts are minimum donation rates. We do ask that you please consider the needs of this ministry by giving above and beyond these amounts as you are led by God.

One-on-one counseling time

Our suggested rate is \$60.00 per hour for individuals and/or families. Individual meetings last from one to two hours (average is 1 ½ hours). Family sessions typically last two to four hours, depending on the distance you have driven and the practicality of coming back. You may give at the appointment time or through our website.

Minimum donation after first 3 appointments

For those who cannot afford the suggested rate, HFW will offer up to three (3) appointments at whatever rate you can afford. After these three (3) appointments, we ask that you give a minimum donation of \$20.00 per visit.

If you are not able to attend one of our groups, our leaders are available for one-on-one counseling at the rate above.

Tax Receipt/Deductibility

Donations made to the ministry are tax deductible. You will receive a year end receipt for your donation. If you DO NOT WANT A TAX RECEIPT, PLEASE (Always) PAY WITH CASH. If paying with cash, and you want a tax receipt, make sure to say so at the time of your appointment.

Debit/Credit Cards Accepted

If it helps towards giving a donation and helping with the purchase of materials, we do accept Debit/Credit Cards. We accept AMEX, MasterCard, Visa, and Discover.

Will you consider standing with Hope for Wholeness?

We will have events for you to invite friends, family, and your pastor, etc. to. These are excellent opportunities to help us spread the word about Hope for Wholeness's work.

Please consider giving a donation above and beyond your donation for counseling. Also please consider being a regular monthly donor to Hope for Wholeness.

Auto-draft is available on your debit/credit card or checking account. Your support will help change the lives of the many people that seek Hope for Wholeness out for help. Information for such a commitment will be available at the time of the appointment.

Materials as a part of groups

Many of our groups do offer materials as a part of the group involvement. Purchasing this material is not mandatory. These materials for support groups are not part of the suggested donations for group involvement below.

Support group donations and involvement

We strongly suggest you make changes to your schedule, to allow for you to attend our group program for at least one year. We ask that all those that participate give towards their involvement.

Many structured support groups through counseling organizations require around \$25.00 per week for participation. We ask that you give what you are financially able to. Remember that the ministry has large costs involved in being available for yourself and others. We suggest \$5.00 to \$25.00 per week, as you are financially able. A donation basket or bucket will be available at each group. Checks are to be made to Hope for Wholeness. Please write "support group" or "workbook" in the note line of your check to help us with our records. An envelope will be available for cash or debit/credit cards. You may also give a donation through our website.
